THE MORE THINGS CHANGE. . . .

Welcome to Tuckerton Seaport:

Did you know the Seaport will be celebrating 20 years in 2020? We cannot believe it either! The Seaport began as a grassroots movement, weathered some storms, and continuously grows as a community museum, rooted in place and telling the story of people too stubborn or too genius to quit. The people of the Seaport were Makers before Makers was a movement. They were sustainable before Millennials framed it as a lifestyle. They knew that local was always the best catch. And that handmade and homegrown were just as much about the past as they are about the future. It is our honor to continue these traditions.

This year we want to spend all 366 days doing a little celebrating. Flip through this Experience Guide and find ways you and your family can be part of this celebration. We hope you will join us on land or water at your community center, the Tuckerton Seaport & Baymen’s Museum. Give us a call anytime!

See you at the Seaport,

Brooke Salvanto
Executive Director

2020 EXPERIENCE GUIDE
Tuckerton Seaport & Baymen's Museum, located at the center of the Jersey Shore directly on the Tuckerton Creek, has been delivering high impact educational opportunities and community focused programs to guests and students for over twenty years. The Seaport developed from a grass roots organization into a nationally recognized, award winning destination museum capturing the enduring spirit of working the bay. The Seaport’s site includes 15 buildings with hands-on museum exhibits, a Boardwalk, Lighthouse, Gift Shop, Visitor Center, Community Garden, and Coffee Shop. The Seaport prides itself on building community by engaging guests in the living traditions of the Barnegat Bay and Pinelands. The Seaport provides a sense of place and encourages stewardship of coastal culture, local arts heritage, and the environment.

Open 362 days a year, the Seaport serves as a community museum. Drop in for a self guided tour, come meet a decoy carver or blacksmith, call ahead to arrange for a tour guide led experience for your class/group, sign up for a class, attend a program, take the new ferry over to LBI, or come to a festival to taste clams harvested that morning fresh from the Barnegat Bay. There are endless ways to enjoy this off the beaten path location (which is less than 3 miles from Exit 58 on the Garden State Parkway). Things are a little bit different here and we like it that way.

**Come discover why Tuckerton Seaport is more than a museum. It’s an experience!**
MESSAGE FROM THE BOARD PRESIDENT, JEFF DAUM, PE

More than 20 years ago, the Seaport began as a great local effort to expand the Barnegat Bay Decoy & Baymen’s Museum from one building into a 40 acre site across the street. I have been involved with the museum since the blueprints were still wet. Great people and great ideas mixed with a lot of hard work, mostly by volunteers, made the dream of the Tuckerton Seaport & Baymen's Museum a reality. As we approach this celebratory year, we take some time to think about how far we have come and all the friends made along the way. We also cannot help but think ahead. What are we handing off to the next generation? Thanks to a grant opportunity from the New Jersey Cultural Trust, the Seaport will create a Sustainability Plan for 2020-2023. We will be calling upon all of those who have helped us along the way to chart a strategic and sustainable course for moving into the future. Our goal remains the same as it was on day one: celebrate coastal heritage while best serving the community.

EXPERIENCE THE BEST OF TUCKERTON SEAPORT!
Operating July 4th through Labor Day on Saturdays, Sundays and Mondays.

COMPLIMENTARY WATER FERRY
GRAB A FREE RIDE & VIEW ON THE FERRY!
TRADE BRAKE LIGHTS FOR BAY SIGHTS!

Enjoy a scenic, one hour coastal culture tour across the bay!

Visit www.tuckertonseaport.org for details and upcoming adventures!
Thanks to the generous support of the OceanFirst Foundation, the Seaport will be able to offer fifty schools on water experiences at no charge as part of their visit for each of the next three years. This opportunity will allow more than 5,000 students to get out on the water and experience the art, history, and environment that define our coastal culture. Despite living in Ocean and Monmouth counties, the overwhelming majority of students (94%) who visit on a class trip have never actually been out on the water!

**FUN FACT: IN 2019, THE SEAPORT WELCOMED 6,646 GUESTS ABOARD THE FLOATING CLASSROOM!**
Spend an hour or spend the day exploring Tuckerton Seaport! Come learn about the folklife traditions of the Jersey Shore and Pinelands. Enjoy our interactive exhibits, hands-on experiences, and historic buildings to ignite a lifetime love of local learning. During your visit you can climb the lighthouse tower, get your hands wet in our touch tank, feed the goat and sheep, grab a line at Heave Ho, and hear stories of the people who lived and worked on the bay! Tours are led by a rotating array of demonstrators including decoy carvers, blacksmiths, basket makers, musicians, and environmental educators. Can't come to us? Traveling educational programs are also available at your school.

Interested educators looking to reserve a tour for your group, please contact JoeM@TuckertonSeaport.org.
Rates begin at $6/student (Subsidized trips are available!)
Join us every Tuesday throughout the Summer for a working boat trip each week with a different host. Hear from first, second, and third generation baymen as they recount stories of living and working on the bay. Visit www.TuckertonSeaport.org for the complete schedule.

DISCLAIMER:
NO GUARANTEE TO CATCH ANYTHING BUT A GOOD STORY.
On view this Summer and offering limited private charters by appointment, the Whitecap has been a floating ambassador for Tuckerton Seaport since 2007. This 33' sloop was designed by well-known naval architect Charles Mower and constructed in 1924 by the Morton Johnson Boat Works in Bay Head, NJ. Historically significant with classic, graceful lines, the Whitecap was mainly sailed in Lower Barnegat Bay. This vessel has undergone several restorations, the most recent following Superstorm Sandy at de Rouville's Boat Shop in Bayville funded by the Sandy Disaster Relief Grant for Historic Properties through the New Jersey Historic Trust.

Kayaking the Tuckerton Creek is also a great way to get up close and personal with our natural environment. Enjoy a different view of the Seaport! Join guides from Ocean County Parks & Recreation as they lead an eco-tour of the Tuckerton Creek by kayak. Kayaks and flotation devices will be provided. Kayak tours will take place on select Saturdays through the summer. Tours are included with the cost of Tuckerton Seaport admission. Tip: Wear clothing that can get wet and dirty. Please call 609-296-8868 to reserve your spot today! Also, see our website for additional sailing dates.

Did you know you can both begin and end your day out on the water in Tuckerton? Breakfast on the Bay and Sunset Sails are available on select days on the newest addition to the Seaport fleet, the Pohatcong II, when it is not working as a ferry between Tuckerton and LBI.

OH THE PLACES YOU WILL GO:

1. Visitors Center & Gift Shop & Outdoor Animals (Kid Friendly)
Begin here! The upper level is the Jacques Cousteau National Estuarine Research Reserve’s Life on the Edge. Then visit the lower level for make-and-take crafts, a touch tank with live horseshoe crabs, Walk on the Wildside Exhibit, as well as the Pine Shores Art Association Seasonal Art Gallery. Goats, sheeps and chickens - oh my! Pick up oats for goats in our Gift Shop.

2. Stage (Kid Friendly)
Home to Heave Ho, a hands-on block & tackle exhibit. Practice your knot tying and explore life at sea on three-masted schooners.

3. Hunting Shanty & Community Center
The original museum features beautiful, functional decoys. Read hundreds of baymen’s stories. This space is open for community use based on availability.

4. Skinner-Donnelly Houseboat
Recently restored by the NJ Decoy Collectors Association, view wildlife from the observation deck and you can also see the Periwinkle Houseboat. Viewable from the outside only, the unique history of houseboats is on display.

5. Joe Dayton’s Sawmill & Nature Trail (Kid Friendly)
As early as 1699, sawmills turned dense forests into lumber for shipbuilding and export. Discover the farming cranberries and blueberries through the Elizabeth White blueberry experiments and walk our 1/4 mile Nature Trail. The trail is populated by Sandy-damaged trees we recycled into snowmen performing winter occupations of South Jersey. The trail exits at the Captain’s House.

6. Perrine’s Boat Works
The sneakbox and garvey are two traditional wooden boats of the Barnegat Bay. In the recreated Perrine’s Boat Works, find traditional boat building and restoration of sneakboxes and garveys on display.

7. Coast Guard Motorized Life Boat #44355
The Seaport is proud to permanently exhibit #44355, a 1966, 44’ steel lifeboat from the United State Coast Guard!

8. Parsons Clam House & Miniature Golf Course (Kid Friendly)
Check out displays of tools and equipment from one of the most influential industries of the Jersey shore. Today in ‘Clamtown’ (as Tuckerton used to be called), the Parsons are still going strong after five generations. Enjoy the outdoor mini-golf nine hole course featuring fun facts about NJ history.

9. Jersey Shore Folklife Center (Kid Friendly)
Opened in the Spring of 2020 to celebrate the Seaport’s 20th year, this is one of only 5 folklife centers in the state. Folklife is all around you. Step inside this workshop space to get your hands on local folk art made right here in South Jersey.

10. Kelly’s Oyster House
Kelly’s Oyster House holds an exhibit on New Jersey’s first floating research lab, Cynthia. It also has displays of eel grass gathering and salt hay harvesting.

    - The exhibit features the stories of local surfing, clothing, memorabilia and over 50 surfboards. The science of surfing and waves is also explored. This is also the proud home of the NJ Surfing Hall of Fame.

19. Captain’s House (circa 1855)
    - Recently opened as Lady Magpie’s Steam Powered Tea Room, this innovative space is open to all Seaport visitors for touring NJ-centric curiosities. Enjoy tea service Thursdays through Sundays each week. Look for the parlor exhibit on NJ Women’s Suffrage, celebrating its 100th anniversary this year. Find the connection between suffrage and ice cream.
FOLKLIFE IS ALL AROUND YOU!

DID YOU KNOW: THE SEAPORT IS HOME TO THE JERSEY SHORE FOLKLIFE CENTER, ONE OF ONLY FIVE FOLKLIFE CENTERS THROUGHOUT THE STATE?

Folklore doesn’t happen somewhere else. It happens right here in South Jersey! Come explore the lives of traditional craftspeople, local musicians and the many rich stories of Folklore in the Pinelands on the Barnegat Bay. The Jersey Shore Folklife Center documents, supports and presents the diverse communities and traditions of the Jersey Shore and the Pinelands. The center offers classes, tours, school programs, artist demonstrations and changing exhibits.

The Original Decoys
Back together for the first time in 25 years, the Doc Bob Decoys that launched this community museum will be on display throughout 2020!

PROGRAMS

LUNCH AND LEARN
In partnership with the Jacques Cousteau National Estuarine Research Reserve, join us on the second Wednesday of each month for a speaker series in the Hunting Shanty.

SEAPORT YOUTH CARVING CLUB
Join master carvers and learn the art of decoy carving and painting. This experience is open to students ages 11-17 and meets the 1st and 3rd Saturday of each month from 1-3pm.

PICKIN ON THE PORCH
Join us the first Sunday of every month for a live music jam session program. Drop in with your acoustic instrument or be part of the audience. Special thanks to our host Linda Salmons. We will be swapping songs and stories.

SPECIAL NEEDS AFTER SCHOOL PROGRAM
Parents can rely on a safe space for their children to spend after school hours with hands-on learning. Providing structure, consistency, and opportunity for socialization, the program offers students the opportunity to participate in enriching new experiences and learn new skill sets from a group of dedicated volunteers, aides, demonstrators, and folk artists. Some of the highlights of this program have included: Music Mondays, Fun Fridays, gardening, crafts, clamming, interactive learning in our Jacques Cousteau exhibit on estuaries, and more! The Seaport hosts this program in partnership with the Family Resource Network.

HOMEBOUND FOLK ARTS
This special program connects folk artists and homebound individuals through a series of in-home performance, demonstration, or instructional interaction. The Seaport’s Jersey Shore Folklife Center offers folk music, basket weaving, and decoy carving. Participants are able to gain a new skill, connection to the surrounding art community, and an enriching new shared experience with their caretakers. This program provides a new avenue to pass on folklife traditions while improving the lives of participants through engagement with the arts. The Folk Arts for Homebound experience has proudly strengthened our community while promoting a deeper appreciation for the arts.

The Homebound Folk Arts project is made possible by the New Jersey State Council for the Arts.

Great trip in South Jersey History

If you are into history, this is an awesome stop! How the "bay life" was founded. There a restaurant there and plenty to walk around to see. They also have big events so if you don’t mind crowds, plan to go during one of their big weekends. If crowds aren’t your thing, go...

"When I grew up here Tuckerton Seaport was just starting out. It’s amazing to see & hear of the amazing work they have done over the years. Everytime we get back to visit family my kids always make a stop along the way!"
